Our History

Sylvanian Families is a unique and adorable range of distinctive animal characters that live, work and play in the idyllic land of sylvania.

Loved since 1985

First created in Japan on March 20th, 1985, Sylvanian Families is loved by everyone around the world. The series started with a house, 11 pieces of furniture, and 9 different animal families. Sylvanian Families was developed with 3 core values at its heart: Nature, Family and Love.

Evergreen

This evergreen toy appeals to children and adults alike, from young children making their first friends to older children about to start secondary school. There are also nostalgic adults who fondly remember the figures from their childhoods and the serious collector with a passion for all things Sylvanian!

Developing Families & Imagination

Sylvanian Families let children create their own stories, and helps them develop social skills and emotional intelligence through imaginative play. Sylvania is a sanctuary where everyone can be part of the family, letting children learn about relationships, including being kind to each other.

When you place the yellow and pink building in a right angle and the purple building in the centre, the department store will become a symbolic icon of your town. Who is your favourite Sylvanian?

Freya Chocolate

Freya is a cheerful girl who likes having fun with her family and friends. She often invites her friends to parties at her house and gives them delicious treats she's baked with her mother. She's very good at drawing and has won lots of prizes in school competitions.

Ralph Walnut

Ralph is full of energy and loves to climb trees. When his little brother's balloon got caught on a tall tree, Ralph climbed up and got it back in the blink of an eye. He says he's climbed every tree in Sylvanian Village, but nobody knows if it's true.

Tiffany Golightly

Tiffany's dream is to be a fashion designer. Her sketchbook is full of her designs. She's too shy to show her sketches to people often, but she hopes that someday all her friends will wear the clothes she's designed.

Millie Maple

Millie is good at growing flowers and decorating with them. Sometimes she'll tell her family and friends about her flowers as she lovingly tends to them. Because of Millie, the Maple Cat family's house is always full of lovely flowers.

Sabrina Sandy

Sabrina is an active girl who loves to ride her bicycle while enjoying the beautiful scenery of the Sea Breeze Cape. When she stays at the Sea Breeze Cape, she exchanges letters with her good friend Freya Chocolate.
