Welcome to Sylvanian Village

I've lived here since I was a tiny bunny, so I know it really well - I'd be happy to show you around if you like?

Let me see, where to begin? You'll soon get to know everyone, from the **Walnut Squirrel Family** - they live close to the river in **Beechwood Hall**, to the newest residents, the **Teak Persian Cat Family** - they own the fancy new **Boutique** in the village.

All the families in Sylvanian Village are kind and full of smiles. There are lots of beautiful houses in the village from the lovely large **Beechwood Hall** to the small and compact **Cosy Cottage**. There is also plenty of fine detailed furniture to fill and decorate each wonderful home with.

There are plenty of Sylvanian shops, so if we are looking for yummy sweets or essential supplies, we can find them in the high street in Sylvanian Village. Or if you are someone who cannot resist the smell of freshly made bread then be sure to visit the **Brick Oven Bakery**.

Our lovely little community includes lots of villagers with different professional skills, from doctors to dentists and there's even a **Country Doctor** in case you fall and graze your paw.

And if we want to go on holiday and be beside the seaside then the **Seaside Cruiser** takes us to **Adventure Island** or if we like our paws on land then the **Caravan** is just as delightful plus there's a lovely little **Log Cabin** and a **Treehouse** nestled in the forest.

Best of all, there's a **Forest Nursery** and **Country Tree School** so we can learn!

Life is always busy in Sylvania, either playing in the meadow, picnicking in the woods, or spending days at the seaside. There are also many outdoor pursuits, from gliding in a swan boat to learning to canoe.

We can even drive a gorgeous **Family Saloon Car** in the village, or if we prefer the wind in our fur then we can drive the new **Convertible**.

Look at the **maps** on **pages 6 & 22** so you can learn where everything is!

Our History

Sylvanian Families is a unique and adorable range of distinctive animal characters that live, work and play in the idyllic land of Sylvania.

LOVED SINCE 1985

First created in Japan on March 20th, 1985, Sylvanian Families is loved by everyone around the world. The series started with a house, 11 pieces of furniture, and 9 different kinds of animal families. Sylvanian Families was developed with 3 core values at its heart: Nature, Family and Love.

EVERGREEN

This evergreen toy appeals to children and adults alike, from young children just making their first friends, older children about to start secondary school, right up to nostalgic adults who fondly remember the figures from their own childhoods, plus serious collectors with a passion for all things Sylvanian!

BE PART OF OUR EVER GROWING FAMILY!

DEVELOPING FAMILIES & IMAGINATIONS

Sylvanian Families let children craft their own stories, and helps them develop social skills and emotional intelligence through imaginative play. Sylvania is a sanctuary where everyone can be part of the family, letting children learn about relationships, including being kind to each other.
